IDENTIFICATION OF DOCUMENT (author, form, address, title & length)

Jackson, William H., "A Discussion of the Functions and Responsibilities of the Central Intelligence Agency," 16 pp.

ABSTRACT

This report points out the functions and responsibilities of CIA in supplying the Government with reliable intelligence information. The report analyzes the duties of CIA concerning operations, intelligence collection, research and reporting. The report points out that CIA should perform intelligence operations of common concern to Government agencies.

[Pencilled note in file says "undated: prepared about Oct. 1950 (?)
See IAC meeting of 26 Oct 1950 - MPC, Oct 1954"]
